**RESPONSE TO RESTRICTION REQUIREMENT**

This is in response to the Office Action dated June 4, 1999, in which the Examiner has required restriction between Group I, namely Claims 1-4, 8, 12, 13, and 16-20, Group II, namely Claims 5-7, 9-11, 14, and 15, and Group III, namely Claims 21-27. Applicants submit concurrently herewith a copy of a Response to Restriction Requirement that was filed with the United States Patent and Trademark Office on June 18, 1999, for the above-mentioned application. The previously filed response was submitted following a first Office Action dated May 20, 1999, in which the Examiner also required restriction between Groups I, II, and III. As in the previously filed response, Applicants elect without traverse to prosecute the claims of Group I (Claims 1-4, 8, 12, 13, and 16-20) and expressly reserve the right to file divisional applications or take such other appropriate measures deemed necessary to protect the inventions in the remaining claims.
